Witness and Outreach: Matthew 21: 33-46 Jesus tells this parable about the long-suffering grace of God. Just like the Pharisees, people don't understand God and His character. They understood grace as a license for sin and greed and murderous acts. They understood grace as a deed of ownership, which allowed them to reject the landlord and kill his son. Jesus would take the punishment for sin upon Himself with His life and death on the Cross. Those who would reject Jesus would be lost. The Law and Gospel is very clear for us to share with the world. God longs to save the world by grace in Jesus.
