Witness and Outreach: Matthew 25:14-30: Jesus again teaches us about His Kingdom with a parable but as He does- He reveals two diametrically different understandings about the Master, the Creator and Giver of all things: one where the receiver of the talents sees the Master as a generous giver and invests the talents with joy in the "business" of the Master; the other where the receiver of the talent sees the Master as hard and stingy and therefore hides the talent in fear of the Master. As a steward of all that God has given you, how do you see the Giver? If you believe that God gave you exactly the talent and blessings needed, you will go about your day with joy and contentment and rejoice to hear the words "Well done my good and faithful servant!"
