Witness and Outreach: Matthew 8:1-20: How would you describe your “church community? The very name “church” tells people that we are a “fellowship of the forgiven” and the Body of Christ (Matthew 16:18). The Church serves to build a community that helps each other with our imperfections. We all have these imperfections, and that includes everyone we come into contact with in the world today. The church is your family who loves you with honesty about both your strengths and your weaknesses. What a joy to be a part of the fellowship of the forgiven and to know the grace that wins the day so peace can comfort the soul.
