**John 12:12-19:** Hosanna: Lord, save us now! That’s not the cry of many people in the world around us, is it? Most people don’t know they need saving, and what would they need saving from? Taxes, maybe?! From higher prices, we wish! War, crime, corrupt government, terrorism, dangerous storms, we could make a long list of dangers, but do we really need to cry out, “Hosanna” from any of them? When it comes to sin, death and the devil, we do! Only Jesus is the answer to those villains who are seeking our very soul. Jesus has come to save us now. Wave your palm branches for Him alone. Hosanna! He is present always to save us – now. And that’s a word we can share with the world around us. Why not take a palm branch from today’s worship and let someone know why Jesus is the One who has come to stay with you – and the One who will stay with them to save!
